

European Mobility Symposium

[Officine Garibaldi](#), Pisa, Italy
second floor, Aula Master

Thursday, November 21st

10:00 - 10:15	Opening	The symposium kicks off with a welcome address by the organizers, outlining the objectives and format of the event.
10:15 - 11:15	Institution presentations (5 minutes each)	Each research group briefly presents an innovative idea related to human mobility. These ideas will serve as catalysts for the collaborative discussions and brainstorming sessions throughout the symposium.
11:15 - 12:00	1st team tables	Participants are organized into heterogeneous teams, ensuring a mix of senior researchers, postdocs, and PhD students from different institutions. The teams collaboratively develop and refine the innovative mobility ideas presented earlier, fostering interdisciplinary exchange and creativity
12:00 - 12:15	short break	
12:15 - 13:15	1st brainstorming	Each team gives a brief presentation (5 minutes each) to share the key insights and concepts discussed during the team tables session
13:15-14:30	Lunch break	
14:30 - 15:15	2nd team tables	Participants are reshuffled into new teams for a fresh round of discussions, providing an opportunity to explore different perspectives and further develop the ideas generated earlier
15:15 - 15:30	short break	
15:30 - 17:00	2nd brainstorming	The newly formed teams present their refined ideas (5 minutes each), building on the discussions from the second round of team tables
	siesta	
20:00	Social Dinner & jam session	Gusto Giusto da Gianni

Friday, November 22nd

10:00 - 10:30	Summary of brainstorm activities	The organizers present a draft report summarizing the key ideas and discussions from the previous day's brainstorming sessions. This serves as the foundation for the writing and report finalization activities that follow.
10:30 - 12:30	3rd team tables for writing session	Participants are reorganized into new heterogeneous teams. Each team collaborates to refine and expand sections of the draft report, ensuring a comprehensive and diverse perspective on the ideas discussed during the symposium.
12:30 - 14:30	Lunch Break	
14:30 - 15:30	Community discussion	A dedicated session for participants to discuss the future of the European Mobility Symposium community. Topics include planning the next edition of the symposium, organizing future events, and strengthening collaboration across institutions.
15:30 - 16:00	Greetings and closing	Final remarks from the organizers, a recap of the key outcomes of the symposium, and acknowledgments to participants. This session officially concludes the event with an open invitation to continue collaborative efforts within the EMoS community.
